Mail Bid Sale 2  
CLOSING DATE  
July 30, 1984

**TERMS OF SALE**  
**(Please Read Carefully)**

1. **BIDS BY MAIL or PHONE** will be accepted until the closing date. All phone bids must be confirmed in writing on a bid sheet. Bids are treated as **LIMITS**. Bids are reduced where competition permits to within 5% of the second highest bid. In the case of tie bids, the first received is normally given preference. No "buy" or unlimited bids are accepted. Bids are accepted by lot number only. No lots are broken up. Bids are only executed in even dollar amounts.
2. This sale is NOT an approval sale. All material offered is guaranteed genuine and as described. Careful examination has been made of every lot by experts. Cataloging errors will be cheerfully and promptly corrected. Lots inspected by mail bidders or their agents, do not have a return privilege. All claims for adjustment by other bidders must be made within five days of receipt but in no case more than 45 days after a sale. After that time, we will have made settlement with our consignors. As the auction house acts as an agent for various consignors, NO CLAIMS OF ANY KIND can be considered after settlements have been made. If a claim is not made within this 45 day period, no lots are returnable for any reason at any time. If we are notified prior to our settlement date that an opinion of condition, alteration or authenticity is being sought, the matter will remain open until such opinion is rendered. Lots are not shipped until paid for. Therefore, late payment will negate a return privilege. Any returned lot must be in its original holder with seal intact.
3. Successful bidders are required to pay the full invoice amount before lots are delivered. Previously established lines of credit, at the sole option of the auctioneer, may not be honored unless arrangements for this sale have been specifically agreed to in writing by the auctioneer. Please contact us in advance if you have any questions regarding your purchasing plans. First rate credit references or a 25% deposit are necessary to insure entry of your bids. Any portion of such a deposit not used will be promptly refunded after the sale.
4. **A 10% buyer's charge will be added to the successful bid price of each lot.** This 10% buyer's charge will be added to the invoice of each successful bidder without exception, and is payable by the buyer as part of the total purchase price. Additionally, 1½% monthly interest is charged on all accounts 30 days past due calculated from the sale date. If any awarded lots are still on hand without a deposit 30 days after a sale, they will automatically be offered to the underbidders or relisted in the next available sale. The difference in price will be billed to the former top bidder. Late payers should not expect to receive future catalogs.
5. **TERMS OF THIS SALE ARE STRICTLY CASH AND MUST BE PAID PROMPTLY IN U.S. FUNDS.** Payment should be made immediately upon receipt of the invoice. Payments from foreign accounts must be made in **U.S. Dollars by International Check drawn on a U.S. bank** or by wire transfer to the account of Joseph L. Lepczyk, c/o East Lansing State Bank. As a convenience, invoices may be charged to VISA or MasterCard accounts provided the purchaser agrees to pay an additional 2½% handling charge. Please supply account number, signature and expiration date at the bottom of your Bid Sheet.
6. **POSTAGE, INSURANCE and/or handling fees are added to ALL SHIPMENTS.** All lots to be mailed to addresses not in the United States of America or its Territories, are charged an additional 1% insurance fee unless insurance is provided by the bidder. Overseas bidders must supply full detailed shipping instructions and agree to all terms as listed herein before shipment is made. We normally use registered air mail with return receipts and green custom tags on overseas shipments.
7. **SALES TAX** will be collected under the laws of the state in which the sale is conducted unless a valid resale number is presented.
8. **TITLE TO ALL LOTS REMAINS WITH THE AUCTION HOUSE** until payment in full is received. The auction house reserves the right to accept or reject any or all bids at its discretion. Generally, bids below 50% of estimate will not be accepted. By placing a bid in this sale, you agree that this agreement is made in Michigan by the auction house's entry of your bid, and that disputes concerning the agreement shall be decided by the application of Michigan law. In the event of a dispute or nonpayment, the auction house may elect to proceed judicially, in which case the bidder consents to jurisdiction and venue in the courts of Ingham County, Michigan. If an account is referred to an attorney for collection, the buyer agrees to hold the auction house harmless and to indemnify it for all costs of collection, including actual, reasonable attorney's fees, with interest as provided in Paragraph 4 accruing on the entire amount until paid.
9. **BIDDING IN THIS AUCTION SALE CONSTITUTES ACCEPTANCE BY THE BIDDER OF ALL THE FOREGOING TERMS OF SALE.**

## **FOR SALE INSTANT COPY CAMERA**

Your own "Jiffy Camera Shop" can produce within minutes, pictures of coins, stamps and make permanent records of these valuables in the privacy of your own home, office or on a bourse floor.

Our "Custom-Sixty" Polaroid Coin and Stamp Camera Unit, with its own light source, will become a favorite part of your hobby. Did you ever need a picture on a Saturday night? After going out for film, taking amateurish pictures, waiting for them to come back from the shop a week is shot.

With the mobile "Custom-Sixty" Polaroid Unit, one inserts the film pack, places the coin, turns on the light switch, clicks the shutter and in the time of a television commerical, your photo is developed, ready for mailing or ready for you to move onto your next project. These photos are useful in offering an item on approval or for illustrating a catalog or display ad. This self-contained unit is pre-focused.

This portable unit uses Type 87 or 107 Polaroid black and white film. The size of the print of the 107 film is  $3\frac{1}{4} \times 4\frac{1}{2}$  inches. This handy camera is not designed for producing color prints or reductions/enlargements. The complete unit measures  $5\frac{1}{2} \times 11 \times 11$  inches.

Joseph Lepczyk International Auctions is the sole distributor of this unit. These units are not available from your local camera store.

Separate cameras must be requested for 110 or 220 volt connections. The price for the 110 volt is \$200 postpaid and the 220 volt unit (usually needed overseas) sells for \$255 postpaid including air parcel post fees.

## HOT AIR PAGE

Closely paralleling our July 27th evening auction at the Hotel Pontchartrain, is our July 30th Mail Bid Sale. Once planned as June and July sales, the present arrangement has the advantage of showing the lots to the large number of dealers and collectors from around the world attending the American Numismatic Association Convention.

From our Table 559 on the ANA bourse floor, clients may pick up lots from the July 27th sale and until July 30th at 5 p.m., view lots from the Mail Bid sale. Delivery of lots from our July 30th Mail Bid Sale can be made August 1st at our ANA table if you mark your bid sheet for delivery at the ANA Convention.

Consignors also have the opportunity to discuss our new Terms of Sale, especially the 10% consignor fee. Bidders are reminded that a 10% Buyer's Fee is added to all lots. We will be accepting consignments for our October 12th and 13th auction at the Adams Mark Hotel in Philadelphia during the Middle Atlantic Numismatic Association Convention and the popular post-Thanksgiving Day sale during the Fall Convention of the Michigan State Numismatic Society in Dearborn, Michigan on November 23th and 24th. The deadline for consignments to our October sale is August 1st.

Any consignor wishing their sales proceeds to come to them in 1985, are advised of our Spring plans to conduct auctions in Chicago in March and in Kalamazoo in May at the Spring Convention of the Michigan State Numismatic Society.

This is only our second all Mail Bid Sale in this format. Our April literature sale was well received by our clients, with hundreds of books and catalogs finding new homes in numismatic libraries. This Mail Bid Sale of coins, tokens, medals and paper money contains outstanding material, much from the University of Michigan collection. We hope you will peruse the lots as thoroughly as you did the literature lots and make positive responses. Please take advantage of the lot viewing opportunity at our ANA table.
